[SPECIAL BULLETIN COVID-19 #69: Clarification to Bulletin #15 Medicaid and NC Health Choice Temporary Flexibilities - 1135 Waiver Provisions and Replace Effective Dates Stated in Bulletins #2, #10 & #11](#)

Monday, April 27, 2020

This Bulletin clarifies which specific Prior Authorizations were lifted on the March 1, 2020, effective date stated in SPECIAL BULLETIN COVID-19 #15: Medicaid and NC Health Choice Temporary Flexibilities - 1135 Waiver Provisions (posted March 24, 2020), including references all relevant Prior Authorization information included in other Bulletins; replaces the effective dates originally stated in the following Bulletins: SPECIAL BULLETIN COVID-19 #2: General Guidance and Policy Modifications (posted March 13, 2020); SPECIAL BULLETIN COVID-19 #10: Durable Medical Equipment: Temporary Flexibilities Effective March 23, 2020 (posted March 24, 2020); and SPECIAL BULLETIN COVID-19 #11: Outpatient Specialized Therapies Temporary Flexibilities (posted March 24, 2020).

[More](#)

[SPECIAL BULLETIN COVID-19 #68: Expedited Hardship Advances and Retroactive Targeted Rate Increases for Skilled Nursing Facilities and Adult Care Homes Serving COVID-positive Patients](#)

Monday, April 27, 2020

NC Medicaid is directing increased financial assistance to North Carolina Skilled Nursing Facilities (SNF) and Adult Care Homes (ACH) to support addressing the increased costs of caring for COVID positive (COVID+) residents in a congregate care setting.

[More](#)

[SPECIAL BULLETIN COVID-19 #67: Telehealth and Virtual Patient Communications Clinical Policy Modifications - Outpatient Respiratory Therapy](#)

Friday, April 24, 2020

NC Medicaid has eliminated the restriction that teletherapy services cannot be conducted via "video cell phone interactions." These services can now be delivered via any HIPAA-compliant, secure technology with audio and video capabilities, including (but not limited to) smart phones, tablets and computers.

[More](#)

[*SPECIAL BULLETIN COVID-19 #66: Telehealth and Virtual Patient Communications Clinical Policy Modifications - Well Child Visits*](#)

Friday, April 24, 2020

NC Medicaid is temporarily adding telemedicine coverage for providers to conduct Well Child Visits with patients to ensure the provision of comprehensive and preventive health care services for children under age 21. Providers are encouraged to continue providing well child visits, immunizations and or preventive care during the pandemic.

[More](#)

[*SPECIAL BULLETIN COVID-19 #65: Telehealth and Virtual Patient Communications Clinical Policy Modifications - Postpartum Depression Screening*](#)

Friday, April 24, 2020

NC Medicaid has temporarily enabled providers to conduct postpartum depression screenings of postpartum women via several remote modalities in light of social distancing measures that may prevent in-person visits.

[More](#)

[*SPECIAL BULLETIN COVID-19 #64: Telehealth and Virtual Patient Communications Clinical Policy Modifications - Health and Behavior Intervention Visits Provided by Local Health Departments*](#)

Friday, April 24, 2020

NC Medicaid has temporarily enabled licensed clinical social workers at Local Health Departments to conduct Health and Behavior Intervention visits for pregnant and postpartum women who have serious psychosocial needs via telemedicine. Local health departments can bill for a variety of other medical and behavioral services provided by an MD, NP, PA, CNM, or appropriate Behavioral Health personnel when delivered via telehealth or virtual patient communications, as outlined in various NC Medicaid Special Bulletins (#34, 35, 36, 43, 48 and 49) regarding Telehealth Clinical Policy Modifications that have been instituted in light of COVID-19.

[More](#)

[*SPECIAL BULLETIN COVID-19 #63: NC Innovations and NC TBI Waivers Community-Based Services \(HCBS\) Flexibilities – Retainer Payments*](#)

Friday, April 24, 2020

NC Medicaid has implemented flexibilities on how Medicaid providers and beneficiaries may access and receive Medicaid services in the wake of COVID-19. Retainer payments may be made for direct care providers of services that include habilitation or personal care that are currently authorized in the Individual Support Plan (ISP).

[More](#)

[*SPECIAL BULLETIN COVID-19 #62: Clinical Policy Modifications - Suspending Copays on COVID-19-related Services*](#)

Thursday, April 23, 2020

NCDHHS is directing providers to stop collecting copayments from Medicaid and NC Health Choice beneficiaries on all COVID-19 related testing, services and treatments. This change is effective retroactive to Jan.

[More](#)

[*SPECIAL BULLETIN COVID-19 #61: Credit Balance Quarterly Reports Extension*](#)

Thursday, April 23, 2020

Considering the challenges providers are facing with COVID-19 pandemic, Medicaid is extending the due date for March 31, 2020, credit balance reports by 90 days. The extension will allow providers to submit their March 31 and June 30, 2020, credit balance reports. All credit balance reports for March 31 and June 30, 2020, quarter ends will be due July 30, 2020.

[More](#)

[*SPECIAL BULLETIN COVID-19 #60: Fidelity Reviews Delayed for Current Individual Placement and Support \(IPS\) and Assertive Community Treatment \(ACT\) Teams*](#)

Thursday, April 23, 2020

Effective April 16, 2020, any Assertive Community Treatment (ACT) team or Individual Placement and Support (IPS) team that met fidelity prior to the State of Emergency related to COVID-19 will continue to meet Medicaid and State-funded services policy requirements through the end of the declared State of Emergency.

[More](#)

[*SPECIAL BULLETIN COVID-19 #59: Telehealth Clinical Policy Modifications - Outpatient Behavioral Health Services*](#)

Thursday, April 23, 2020

Effective April 20, 2020, NC Medicaid is temporarily modifying its Behavioral Health and Intellectual and Developmental Disability Clinical Coverage Policy 8C: Outpatient Behavioral Health Services Provided by Direct-Enrolled Providers to better enable the delivery of care to NC Medicaid, NC Health Choice and State-funded individuals in response to the COVID-19 Pandemic. This guidance on allowing telephonic outpatient psychotherapy is in addition to the telehealth flexibilities previously added.

[More](#)

[*SPECIAL BULLETIN COVID-19 #58: Personal Care Services Additional Policy Allowances*](#)

Wednesday, April 22, 2020

During the period of the State of Emergency, supervisory visits must be conducted, but may be conducted utilizing eligible technologies that allow the supervising registered nurse to remotely communicate and evaluate services rendered. Supervisory visits can be delivered via any HIPAA-compliant, secure technology with audio and video capabilities including (but not limited to) smart phones, tablets and computers.

[More](#)

[*SPECIAL BULLETIN COVID-19 #57: Private Duty Nursing Flexibility Updates*](#)

Wednesday, April 22, 2020

To avoid delays in beneficiaries receiving needed private duty nursing services, NC Medicaid is temporarily approving prior authorizations that are in pending status for documentation of validation of primary insurance for 60 calendar days. This will allow for the delayed verification responses from individual third-party insurance providers to be uploaded to the prior authorizations in NCTracks. Details regarding documentation, supervisory visits and eligible remote technologies are included in this bulletin.
